New Hach Flow Meter Brochure A Better Way to Monitor Flow

Frederick, MD - Hach Company is pleased to announce the release of their new Flow Meter brochure entitled “DDS - A Better Way to Monitor Flow—Getting You Out of the Hole.” This informative brochure utilizes a unique graphic novel, illustrated style to introduce the reader to the key features and benefits of Data Delivery Services (DDS), a hands-off approach to sewer monitoring flow.

For your free copy visit www.hachflow.com/dds or call 800.368.2723.
