***For Immediate Release***

## **New Hach Flo-Center™ Software for Sigma Flow Meters Takes Flow Meter Data Management to the Next Level**

### ***The Single Software Solution to Collect, Analyze, and Manage Flow Data***

Frederick, MD- Hach Company is pleased to announce the new Flo-Center Software that is compatible with all Sigma Series Brand Flow Meters. Hach's Flo-Center software offers Sigma flow meter users a single software solution that allows them to collect, edit, analyze and manage their flow data more efficiently. Easy to use features including customizable graphing, professional data analysis reporting, flow meter data management, merge and share capability, and SQL compatibility will save time and streamline the entire flow monitoring process.
